User Guide

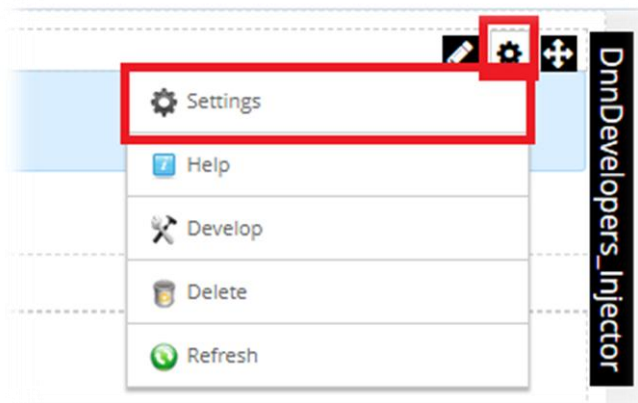

1 How TO ACTIVATE THE LICENSE

You can activate your license from the settings section of the module.

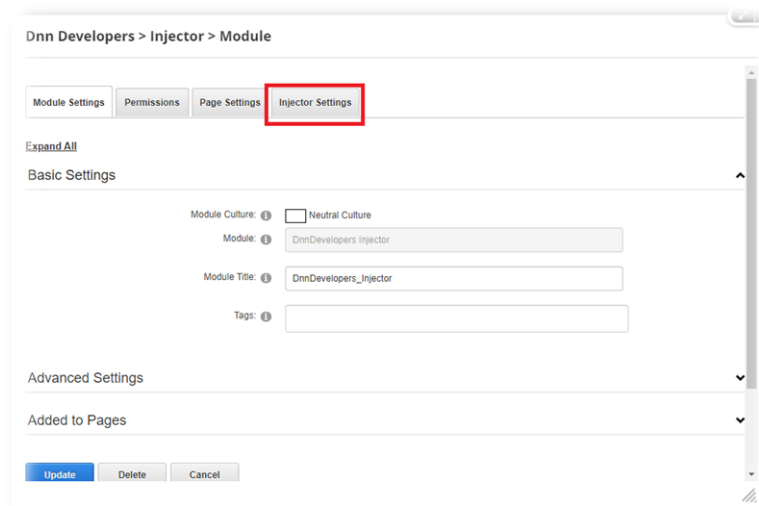

1. Go to the page where the module is installed, change the page mode to edit.

2. Mouse hover on the Gear Icon, It can be found between Edit and Drag icon at top right corner of the module or as per your container configurations. Click on the Gear Icon .

3. Settings Popup screen or Page (based on your DNN Configuration) will be opened. You can find the Module Settings tab as the last tab. Here for the case we have Modiuue Injector so name of the tab is Injector Settings.

- Find the section "License / Activate Module" and Expand to Activate the License

Dnn Developers > Injector > Module

Module Settings Permissions Page Settings **Injector Settings**

License / Activate Module

Invoice ID **Activated**

License Key

Update Delete Cancel

- Get your Invoice ID, it can be found from <https://store.dnnsoftware.com/my-account/my-downloads> where list of your purchased modules will be available. Copy the 32 Character long string (Invoice ID) against the module you want to activate.
